

Mrs. Angela Jenifer is a prime example of what positive culture, perseverance, accountability, loyalty and teamwork look like within the school environment. Within her role as Principal of James A. Jackson Elementary, Mrs. Jenifer has consistently demonstrated a can-do attitude that focuses on the educational as well as the overall well-being of both students and the faculty and staff here at Jackson. Mrs. Jenifer understands that in order to create success for all stakeholders here at Jackson, there must be an atmosphere of camaraderie that focuses on a positive environment for working and learning. Mrs. Jenifer has accomplished this in her first year as Principal by ensuring that everyone is celebrated for their hard work, (monthly recognitions for students and staff), as well as providing a voice for all staff (by listening and implementing ideas that are likely to have a positive impact for our school). This inclusive and morale boosting pride for our school has improved how everyone in the school shows their “Jaguar Spirit” of R.O.A.R.-ing, (Respectful, Orderly, Appropriate, Responsible), each day. It is with this school spirit and pride in our school that Mrs. Jenifer is the perfect nominee for the CCPS Pride & Spirit Award.

Since branding ourselves THE Jackson Elementary School, we have embraced the notion of educating the whole child all while building a better tomorrow today! From our unique and innovative early morning car rider lane jam sessions that welcomes our scholars each day by preparing them with inspirational and upbeat tunes, to using our WJAG morning announcements to consistently teach students how to ROAR, then finally circling around to our strong feeder relationship with Jonesboro High School which shows our young scholars all they can be and more if they stay in school and stay on track...we exude school spirit and are deserving of this recognition.

Principal Angela Jenifer, shows spirit and pride in our school in many ways. Every morning, she makes her presence known by walking the halls and greeting students, staff, and faculty members with a big smile. Principal Jenifer allows our school to have different activities during the year to express school spirit. We dress up to show support for different departments, and our principal doesn't miss a day of participation. She also attends basketball games and other extracurricular activities for our school. Principal Jenifer is constantly encouraging our scholars to R.O.A.R. (Respectful, Orderly, Appropriate, and Responsible). If they are caught roaring, she gives them compliments and lets the teachers know the students need to receive Jaguar Bucks to spend in the PBIS store. When our school accomplishes different goals, Principal Jenifer informs all stakeholders and celebrates. She continues to show school pride by honoring scholars, faculty, and staff monthly with certificates. She also makes the faculty and staff feel appreciated by allowing the workroom to be painted and covered with positive words. It is also decorated every month with a different theme which makes it warm and inviting. The students continue learning when they are in the hallways by looking at the beautifully painted walls and ceiling tiles with positive phrases. These are the outstanding ways Principal Angela Jenifer shows her school pride, spirit, and dedication.
